

Center ISD End of the Report

Greetings

With the 2018-2019 school year ending, Center ISD thanks you for sharing your children with us. We hope the year has brought about learning experiences that will not be forgotten and memories that will carry into the future.

Summer Activities

Summer School and Extracurricular Workouts Programs are taking place. Please follow our social media sites and department correspondences for information.

Next Year

August 1, 2019-- Per UIL guidelines, Extracurricular Activities will begin. Please watch for reporting information.

August 14, 2019 -- First day of school for students. Meet the teacher schedules will be released in early June.

Building Programs

Thank you for your patience as the District continues to improve the facilities. The Center Elementary School Project is virtually 100% complete. FLM Primary School is seeing a tremendous amount of construction activity, and the work will continue through the 2019-2020 school year. Center High School 200 and 300 academic hallways and corridors will see a much-needed HVAC redesign and retrofit during the summer. Other projects of the bond program are in development -- some may be in the construction phase at the start of the new school year.

Conclusion

Have a restful and safe summer. Take time to read a book, two, three, or more. Literacy is the key to unlocking knowledge, understanding, and your full potential.
