

Center ISD Information and Happenings

Progress on Bond Program

The Center Elementary School driveway and expansion project is 95% complete. Canopy and landscaping work is all that remains. Safety and security improvements at CES are near completion. The FLM expansion is under construction, 50,000 square feet of new academic space includes a new full-size gym, 6-bed nurse station, 30 classrooms, parking and driveways, and security improvements. Upon completion of the FLM expansion, the grade level realignment will occur. All other bond projects are being designed simultaneously, and each is in the design phase.

2019-2020 Master Calendar Is Approved

The 2019-2020 master calendar is approved. It can be found at www.centerisd.org on the calendar quick link on the main page.

Did You Know?

Students are no longer required to attend school a minimum of 180 days. They are required to attend a minimum number of minutes (75,600).

Center ISD is recognized as a District of Innovation. This status grants the District more local control and flexibility with decision making.
