Friday, October 4th

- ✓ Early Release
- ✓ Football (V) vs Brownsboro (Away 7:30p)

CISD Food Trailer Concept Coming Soon

Center ISD, in partnership with Southwest Food Excellence, will be launching a new food trailer concept that will change the perception of how student nutrition should look and taste. Center ISD has the distinction of being the first area school district to own and operate their very own food trailer. Designed to get students more excited about school lunches, this new model of service will be presented on our high school campus as a meal option and seen at special events by the distinguished Culinary Arts program and its students.

While the menu items will be representative of food truck fare, compliance with the USDA standards remains while serving foods during designated mealtime hours. The food is made from scratch, prepped and subsequently served from the trailer. On the menu, you will find American classics like the Chicago Dog, Philly Cheesesteak, and pulled pork sandwiches.

The new concepts do not cost the students any more money. The meal will be a reimbursable meal, just like other meals the student chooses. We are excited to offer our students these new and exciting options.

When can you expect to see the Center ISD Food Trailer in Operation? Upon receipt of our license, you can expect the Food Trailer to be unveiled in October.

Center ISD Multi-Purpose Event Center Renderings to be Revealed

Center ISD is excited to reveal the much anticipated multi-purpose event center renderings and plans. Come all to the Center High School library on October 2nd at noon to see firsthand the future attraction. Roughrider Spirit and Pride fill the air. There will be no doubt that you are in *Roughrider Country* when you arrive and enter the facility.

October brings Poultry Festival and Homecoming Activities

As summer turns to fall, excitement builds as the annual Poultry Festival begins Thursday, October 3rd thru Saturday, October 5th. Hundreds of CISD students play an active role in the festival events. We have students participating in the many various undertakings. Support your students and the festival.

Homecoming week begins on Monday, October 7th. A calendar of campus events will be shared with your students. It will be a busy week for Roughrider and Lady Rider athletics culminating with the annual Homecoming game and ceremony. Please join CISD at Roughrider Stadium on Friday, October 11th at 6:45 p.m. for the Homecoming Ceremony followed by the game at 7:30 p.m.

Student enrollment for the 2019-2020 school year is 2,651 up approximately 1.2% from last year at this time.
