

CENTER MIDDLE SCHOOL

Parent Drop-Off Procedures

Forming a single-file line, parents will drop their children off at the front of the main building (facing Malone Drive) no earlier than 7:20 and exit the parking lot by the 6th grade building (old Intermediate School). All students will enter the building through the front door and proceed to the cafeteria until 7:30. At that time, students who are not eating breakfast will go to their 1st period class. The tardy bell will ring at 7:50.

Please wait until you are next to the main building before letting your child out of your car. You will have to pull through the entirety of the parking drop-off line and may not exit early.

Procedimientos para dejar a los padres

Formando una sola fila, los padres dejarán a sus hijos en el frente del edificio principal (frente a Malone Drive) no antes de las 7:20 y saldrán del estacionamiento por el edificio de sexto grado (antigua escuela intermedia). Todos los estudiantes entrarán al edificio por la puerta principal y procederán a la cafetería hasta las 7:30. En ese momento, los estudiantes que no estén desayunando irán a su clase del 1er período. La campana de tardanza sonará a las 7:50.
